

MINNESOTA REGIONAL RAILROADS ASSOCIATION

Membership Application

The *Minnesota Regional Railroad Association* (MRRA) was formed in 1987 by several of the state's smaller railroads to be a Voice at the State Capitol for the needs and interests of Class II and III rail companies. The goals of MRRA are simple:

- 1) To take an active role in issues before the Minnesota Legislature that may affect members,
- 2) To promote the activities of regional railroads and the rail industry in general; and
- 3) To exchange information that might be helpful to members of the association.

And, of equal importance, MRRA members work to improve public understanding of regional railroads and their need to be treated fairly and in line with other Minnesota small businesses.
